

Field Trips

Join us at Desert Thunder Gymnastics for a one-of-a-kind field trip!

We have a spacious, indoor facility, where your group can enjoy a fun gymnastics experience by our trained instructors! Your group will be led through a stretching and warmup period, followed by instruction on several gymnastics events, and free time to explore some selected activities. Please feel free to discuss any special needs or preferred areas of focus when inquiring about your field trip.

Each class will be set up and structured according to the ages of the children who will be participating. Field trips can be 1 hour and 30 minutes long, or two hours long.

We generally have field trip times available on certain mornings or early afternoons. Call today to schedule a time for your school or group to stretch, flip, fly and move with us!
